

CPL Extension

The following table lists the most common .cpl files, including all the .cpl files included with Windows:

File name	Purpose
Access.cpl	Accessibility properties
Appwiz.cpl	Add/Remove Programs properties
Desk.cpl	Display properties
FindFast.cpl	FindFast (included with Microsoft Office for Windows 95)
Inetcpl.cpl	Internet properties
Intl.cpl	Regional Settings properties
Joy.cpl	Joystick properties
Main.cpl	Mouse, Fonts, Keyboard, and Printers properties
Mlcfg32.cpl	Microsoft Exchange or Windows Messaging properties
Mmsys.cpl	Multimedia properties
Modem.cpl	Modem properties
Netcpl.cpl	Network properties
Odbc32.cpl	Data Sources (32-bit ODBC, included w/ Microsoft Office)
Password.cpl	Password properties
Sticpl.cpl	Scanners and Cameras properties
Sysdm.cpl	System properties and Add New Hardware wizard
Themes.cpl	Desktop Themes
TimeDate.cpl	Date/Time properties
Wgpocpl.cpl	Microsoft Mail Post Office

Note that in Windows 98, the Desk.cpl file is named Deskw95.cpl in the compressed cabinet (.cab) file. The file is renamed to Desk.cpl in the Windows\System folder.
